

# 'The Astrology of 2016'

Presented by **Maggie Kerr**

One day seminar on **Saturday 6th February**  
@ Carrara on the Gold Coast

It's so important that we empower ourselves at the beginning of each year in these revolutionary transformational times!!

So please join me for my traditional new-year seminar, as I present in depth ideas and info for the 'big picture' of what 2016 has in store from our western astrological cycles plus the Chinese **Year of the Monkey.**

We will have a good look at **Saturn in Sagittarius** between 2015-17 and how this will affect our global story, plus the other major feature on offer from **Saturn & Neptune as they form a challenging square** in their 36 year cycle.

How does **Jupiter in Virgo & then moving into Libra** in mid- September fit in the complex jigsaw puzzle of the ongoing **Uranus Pluto transformational 'zap zone'?**

***So please join me for a fascinating fun day so you can get inspired about your growth & opportunities over the next year.***

*All welcome at any level of Astrology as this program is also great for non-astro peeps. You may order recordings of the workshop if you cannot attend.*

***Don't forget to bring your chart as I will offer personal insights as opportunities arise!***
