

# Astrology and Past Lives

## 2 day Program

### With Maggie Kerr AAT

At my first Astrology conference in 1991 I was inspired by British Astrologer Penny Thornton's work with Astrology and Past Life Therapy as a tool for release and resolution of issues in our current life. By obtaining the birth data of the lifetime from Higher Self while in the regressed state, we also end up with the Horoscope for the past lifetime. AMAZING STUFF!

I explored this fascinating area during the 90s but my other counseling time commitments have rarely offered the time and space to share this program with a group. SO IT IS NOW TIME! Jupiter in Scorpio is perfect for this beautiful deep loving transforming life changing work.

This 2 day program includes:

- Initial training in PL regression technique as I demonstrate guiding client toward resolution of issues PLUS obtain the birth data.
- 2 x sessions for each group member as both therapist and recipient
- Sunday p.m. session working with your 2 PL Horoscopes and your current life chart.

This program is intended for your personal growth NOT for certified professional outcomes.

If you would like to attend from beyond the Gold Coast I have AIRBNB options for accommodation and this is also a fab opportunity for a Gold Coast Holiday if you come earlier or stay longer. Refreshments & lunch provided for both days. Because this is a personal and intimate experience, I am hosting these small groups here at my home in Carrara.
